* Students can drop a course on their own through their BuckeyeLink account up through 11:59pm on the date listed. If dropped before the deadline posted, the course will be removed completely from the student's record.

** If dropping a course after the "drop without a W" deadline, a student must contact an academic advisor in order to drop a class. The class will still appear on the student's record but a "W" (withdrew) will appear next to the class instead of a letter grade. W's do not affect a student's GPA.
