Cost of Summer Classes

For Summer Term 2020, instructional fees, and general and non-resident surcharges for Columbus campus undergraduates will be discounted by 25 percent compared to autumn and spring semesters. For more specific costs, view detailed [fees for Summer Term](#) (*Summer Term 2020 tuition and fee tables will be updated once available*). The goal of this reduced cost is to provide the opportunity for students to enroll in summer classes while saving money, and staying on track to complete their degrees.

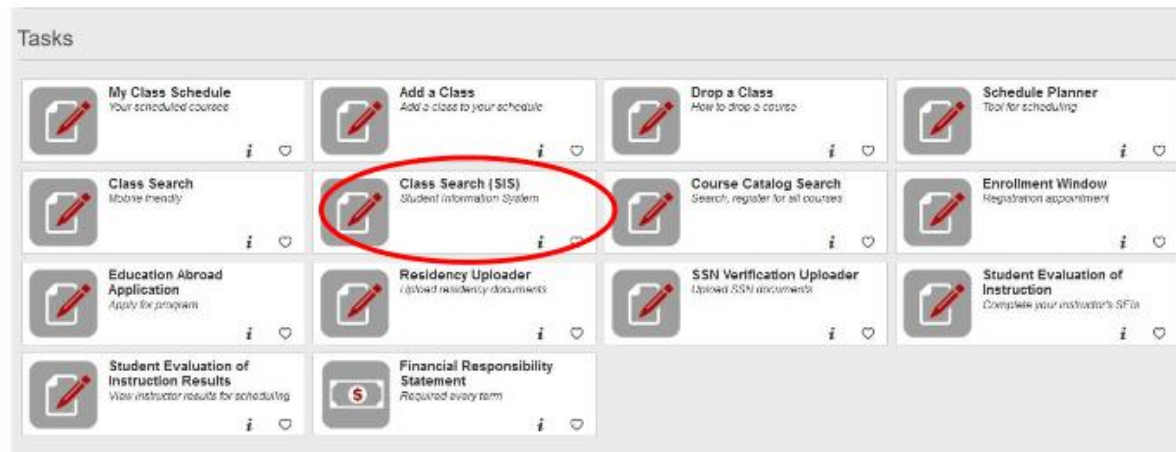

How to Search for Courses by Session

To find the list of courses being offered during summer term, follow these steps.

Step 1: Go to www.buckeyelink.osu.edu and click on “Enrollment and Registration”

Step 2: Click on “Class Search (SIS)”

Step 3: Choose “summer 2020” as the term and “Columbus” as the campus unless you want to take a class on a regional campus. Then click “Additional Search Criteria”. The “session” drop-down menu will allow you to narrow down your search if you’re looking to take a course during a specific session within summer term.
