When Can I Register for Summer Courses?

Each student will have their own unique scheduling appointment - a specific day and time after which they can register for classes. To check yours, log in to your BuckeyeLink account and click on the “details” link in the blue Enrollment Information box on the right-hand side of your screen.

Then choose the “Summer 2021 Term” bubble and click “continue”. Your enrollment appointment will be shown in the “Appointment Begins” column. You should be able to register for summer classes after the day and time listed.

Don’t forget that scheduling windows are assigned based on rank. Student athletes, those with disabilities, and honors students schedule first. From there seniors schedule, then juniors, sophomores, and freshmen.
