

# 2023 National and International Summer Research Programs

## At Ohio State

### **Summer Undergraduate Research Program in Astrophysics (Dept. of Astronomy)**

Application deadline: January 17, 2023

Program dates: May through July

Website and application: <https://astronomy.osu.edu/undergraduates/undergraduate-research/surp>

### **Department of Physics Summer Research Program**

Application deadline: mid-March 2023

Program dates: May through July

website and application: <https://physics.osu.edu/ug-summer-research-scholarship>  
(webpage will be updated with 2023 information by the end of January)

### **Undergraduate Research Apprenticeship Program (URAP)**

Application deadline: TBD

Program dates: May through early August

Website: <https://ugresearch.osu.edu/current-researchers-funding-opportunities/undergraduate-research-apprenticeship-program-urap>

### **Center for Emergent Materials (CEM) Research Experience for Undergraduates (REU)**

Application deadline: February 15, 2023

Program dates: May 21 – July 23

Website: <http://cem.osu.edu/education-and-outreach/reu/reu-summer-2015/>

## National opportunities

### **Air Force Institute Research Laboratory Scholars Program**

Application deadline: None listed

Website: <https://afrlscholars.usra.edu/scholarsprogram/>

### **Argonne National Laboratory Science Undergraduate Laboratory Internship (SULI)**

Application deadline: January 10, 2023

Website: [science.osti.gov/wdts/suli/How-to-Apply](https://science.osti.gov/wdts/suli/How-to-Apply)

**Brookhaven National Laboratory Science Undergraduate Laboratory Internship (SULI)**

Application deadline: January 10, 2023

Website: <https://www.bnl.gov/education/programs/program.php?q=188>

**CMS Summer Internship Program for Underrepresented Minority Undergraduate Students**

Application deadline: January 31, 2023

Website: [www.classe.cornell.edu/Research/CMS/Phase2/SummerInternshipProgram.html](http://www.classe.cornell.edu/Research/CMS/Phase2/SummerInternshipProgram.html)

**Idaho National Laboratory**

Application deadline: varies by research program (3 to choose from)

Website: [www.inl.gov/research-programs](http://www.inl.gov/research-programs)

**Fermilab Science Undergraduate Laboratory Internship (SULI)**

Application deadline: January 10, 2023

Website: <http://ed.fnal.gov/interns/programs/suli/index.shtml>

**Los Alamos National Laboratory**

Website: [www.lanl.gov/careers/career-options/student-internships/undergraduate/index.php](http://www.lanl.gov/careers/career-options/student-internships/undergraduate/index.php)

**Lunar and Planetary Institute (LPI) Summer Intern Program in Planetary Science**

Application deadline: December 12, 2022

Website: <https://www.lpi.usra.edu/lpiintern/>

**Lunar and Planetary Institute (LPI) Exploration Science Summer Intern Program**

Application deadline: January 20, 2023

Website: [https://www.lpi.usra.edu/exploration\\_intern/?view=program](https://www.lpi.usra.edu/exploration_intern/?view=program)

**MIT Lincoln Laboratory**

Application deadline: Depends on position

Website: <https://www.ll.mit.edu/careers/summer-research.html>

**NASA**

Application deadline: Depends on location and program

Website: [intern.nasa.gov/index.html](http://intern.nasa.gov/index.html)

**NASA Jet propulsion Laboratory**

Application deadline: March 31, 2023

Website: [www.jpl.nasa.gov/edu/intern/apply/summer-internship-program/](http://www.jpl.nasa.gov/edu/intern/apply/summer-internship-program/)

**National Astronomy Consortium (NAC)**

Application deadline: early February

Website: <https://public.nrao.edu/odi/nac/>

**National Science Foundation (NSF) REU Programs (available at 64 locations)**

Application deadline: varies by location

Website: [https://www.nsf.gov/crssprgm/reu/list\\_result.jsp?unitid=69](https://www.nsf.gov/crssprgm/reu/list_result.jsp?unitid=69)

**Marine Physical Laboratory Summer Internship Program in California**

Application deadline: January 13, 2023

Website: <https://mpl.ucsd.edu/internships/>

**Quantum Initiative Undergraduate Fellowship Diversifying Quantum Research**

Application deadline: February 5, 2023

Website: <https://chicagoquantum.org/>

**Quantum Undergraduate Research at IBM and Princeton (QURIP) Internships**

Application deadline: January 15, 2023

Website: <https://www.ibm.com/quantum/qurip>

**The Science Undergraduate Laboratory Internships (SULI) Program**

Application deadline: January 10, 2023

Website: <https://science.osti.gov/wdts/suli>

**SETI (Search for Extraterrestrial Intelligence) Institute**

Application deadline: February 1, 2023

Website: [www.seti.org/seti-educators/reu](http://www.seti.org/seti-educators/reu)

**Space Telescope Science Institute (STScI) (Baltimore)**

Deadline: January 31, 2023

Website: <https://www.stsci.edu/opportunities/space-astronomy-summer-program/program-details>

**International opportunities****Cardiff University Summer Research Internship in Gravitational-Wave Astronomy (UK)**

Application deadline: To be decided

Website: <https://www.cardiff.ac.uk/physics-astronomy/research/summer-research-internships>

**DAAD RISE (Research program in Germany)**

Website: <https://www.daad.de/rise/en/rise-germany/>

**Dorrit Hoffleit Undergraduate Research Scholarship at Yale**

Application deadline: February 15, 2023

Website: <https://astronomy.yale.edu/undergraduate-program/research/dorrit-hoffleit-undergraduate-research-scholarship>

**LEAPS (The Netherlands)**

Application deadline: to be announced

Website: <https://leaps.strw.leidenuniv.nl/>

**STEM Research Abroad Program hosted by Arcadia**

Application website: <https://studyabroad.arcadia.edu/find-a-program/stem-summer/>

Locations include Brisbane, Dublin, Glasgow, Granada, London, Limerick

**ThinkSwiss Scholarship Program (Switzerland)**

Application deadline: December 31, 2022

Website: <https://thinkswiss.org/>

**Additional opportunities**

A list of additional summer research opportunities is on the [APS website](#) and the [Pathways to Science website](#).

**Research Funding**

Students who are participating in unpaid research positions can apply for funding from the university. There is a list of funding options on the OSU Undergraduate Research website: <https://ugresearch.osu.edu/current-researchers/funding-opportunities>
