## **Cost of Summer Classes**

Summer 2023 tuition and fee information will be available in March 2023 and posted on the Registrar's website: <https://registrar.osu.edu/FeeTables/MainFeeTables.asp>

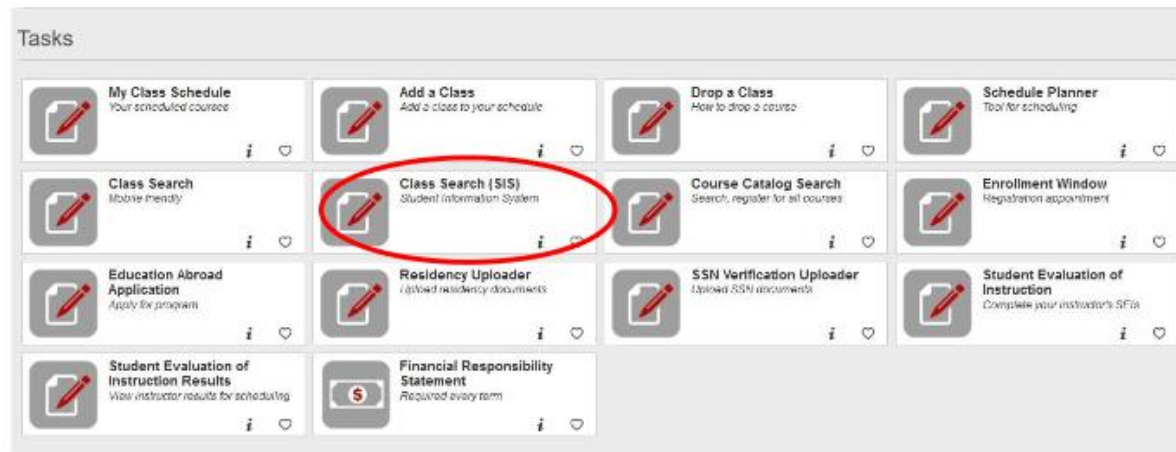

## How to Search for Courses by Session

To find the list of courses being offered during summer term, follow these steps.

**Step 1:** Go to [www.buckeyelink.osu.edu](http://www.buckeyelink.osu.edu) and click on “Enrollment and Registration”

**Step 2:** Click on “Class Search (SIS)”

**Step 3:** Choose “Summer 2023” as the term and “Columbus” as the campus unless you want to take a class on a regional campus. Then click “Additional Search Criteria”. The “session” drop-down menu will allow you to narrow down your search if you’re looking to take a course during a specific session within summer term.

The screenshot shows a web form titled "Search for Classes" with the following fields and options:

- Institution:** The Ohio State University

## How to Search for GE Courses

Follow the instructions on pages 4 & 5 but instead of selecting a Session, choose “General Education - Legacy” (students starting at OSU summer 2022 or earlier) or “General Education – New” (students starting at OSU autumn 2022 or after) from the Course Attribute drop-down menu. From the Course Attribute Value drop-down menu, choose which GE category you’d like to search.

## When Can I Register for Summer Courses?

Each student will have their own unique scheduling appointment - a specific day and time after which they can register for classes. To check yours, log in to your BuckeyeLink account and click on the “details” link in the blue Enrollment Information box on the right-hand side of your screen.

**▼ Enrollment Information**

**Enrollment Appointment**  
 You may begin enrolling for the Spring 2023 Regular Academic Term session on November 7, 2022.

→ [Details ▶](#)

[Schedule Planner](#)

[Degree Audit](#)

[Enrollment Verification](#)

Then choose the “Summer 2023 Term” bubble and click “continue”. Your enrollment appointment will be shown in the “Appointment Begins” column. You should be able to register for summer classes after the day and time listed.

Don’t forget that scheduling windows are assigned based on rank. Student athletes, those with disabilities, and honors students schedule first. From there seniors schedule, then juniors, sophomores, and freshmen.

## Summer Physics Courses at OSU

The OSU Department of Physics is offering the following courses during the Summer of 2023 that may be of interest to Physics and Engineering Physics majors.

**Physics 1250** - lecture TuWeFr 10:35-11:45am, recitation at Mo 10:35-11:45am. There are a few different lab sections available that you can choose from. 12-week full summer term course. The class will take place in-person.

**Physics 1251** – lecture TuWeFr 3:20-4:30pm, recitation at Mo 3:20-4:30pm, and lab at either Th 12:05-2:10pm or Th 2:25-4:30pm. 12-week full summer term course. The class will take place in-person.

**Physics 3700** – lecture MoTuWeThFr 12:05-1:00pm, lab at MoTuWeThFr 1:15-5:15pm. This course will be taught as an accelerated 4-week session 1 version. Meaning, 15 weeks of material will be covered in 4 weeks. The course will take place in-person.

## Taking Classes at a Different School

If you're considering taking a class at a different university or college during the summer of 2023, please contact your Physics advisor, David Zach (zach.11@osu.edu) or Lindsey Thaler (thaler.21@osu.edu), to discuss the process of transferring courses. You should make sure OSU will accept the transfer credit BEFORE you take the class.
