

COLLEGE OF ARTS AND SCIENCES | DEPARTMENT OF PHYSICS

# **ANNOUNCEMENTS**

Week of November 13th

Save the date: Wednesday, November 29th at 11:00 AM for a very special event with Professor Pierre Agostini!

#### **Upcoming Events**

Thanksgiving Break is next week! - **No classes** November 22nd-24th. **Offices closed** November 23rd-24th. Enjoy your time off!

## **Upcoming Colloquia & Seminars**

**11/13/23** Quantum Matter Seminar- Jennifer Cano- Engineering Topological Phases with a Superlattice Potential. <u>More information</u>

**11/14/23** Fall 2023 Colloquium Series- Taekjip Ha- From Single Molecules to Cellular Decision Making: Connecting the Scales Using Mechanical Force.

### **More information**

**11/14/23** CCAPP Seminar- Cuncheng Chen- Spatially-resolved CGM Dynamics in Both Non-Active and Active Halos. <u>More information</u>

**11/15/23** ENCOMM Seminar- David Wood and Davita Watkins- Polymer-Based Enzymatic Nanomaterials. <u>More information</u>

**11/15/23** Seminar on the Role of the National Space Council and the Biden Administration's Space Priorities. <u>More information</u>

**11/17/23** Institute for Optical Science- Malleable Light: From Single Atom Computing to Superspectroscopy. More information

## **Full Department**

There is more information and resources available on our department website.

#### **Graduate Students**

President's Postdoctoral Scholars Program 2024 Cohort Competition

Ohio State's PPSP was launched in January 2018 to recognize highly-qualified postdoctoral trainees who will become leaders in their fields. The program supports the scholarly efforts and training of terminal degree holders (PhD, MFA, and others) who wish to pursue careers in research and creative inquiry, as well as providing professional development and networking opportunities.

This program includes salary support and full benefits (health insurance, tuition assistance, and paid leave) for 2 years provided by the Office of the President and the scholar's faculty mentor and sponsor college. PPSP scholars also receive funds from the Office of Postdoctoral Affairs to support research, creative expression, and professional development-related expenses.

Learn more about the program and application process by <u>visiting our</u> website.

Please feel free to direct any questions to Ohio State's Office of Postdoctoral Affairs: <a href="mailto:osupostdocs@osu.edu">osupostdocs@osu.edu</a>.

Submit your news items to scopel.6@osu.edu by 5pm, Thursday.

Follow us on all social media platforms: Facebook, Instagram, and Twitter
