open

**December 25th- 26th-** Holiday,  
offices closed

**January 1st-** Holiday, offices closed

---

*The Department of Physics Weekly Emails will resume on Monday, January 8th, 2024*

## Full Department

Professor Emeritus Pierre Agostini was awarded the Nobel Prize in Physics at the Nobel Ceremony in Stockholm, Sweden this Sunday! Read more at [this link](#)

You can watch the recordings of the Nobel Ceremony, Concert, and Lectures on the Nobel Prize website at [this link](#).

Save the date: The Department of Physics Winter Party is coming up on Friday, January 26th, from 6:00- 8:00 PM in the PRB. Join us for food and fun! This year's theme is... Dr. Who!

Our department has a variety of new AV equipment deployed and ready for use. There are 6 new large screens available throughout the PRB conference rooms, as well as carts for easy transport. These can be easily connected via HDMI cable to personal computers. There are also still projectors and OWLs available to be checked out at the PRB main office.

There is more information and resources available on our department website.
