How to Search for Courses by Session

To find the list of courses being offered during summer term, follow these steps.

Step 1: Go to the [class search](#)

Step 2: Choose “Summer 2024” as the term and “Columbus” as the campus unless you want to take a class on a regional campus. Then click “Additional Search Criteria”. The “session” drop-down menu will allow you to narrow down your search if you’re looking to take a course during a specific session within summer term.

The screenshot shows the 'Search for Classes' interface. At the top, 'Institution' is set to 'The Ohio State University' and 'Term' is 'Summer 2018'. Below this, a note says 'Select at least 2 search criteria. Select Search to view your search results.' There are three main sections: 'Required', 'Class Search', and 'Additional Search Criteria'. In the 'Required' section, 'Campus' is set to 'Columbus'. In the 'Class Search' section, 'Subject' is empty, 'Course Number' is 'is exactly' with an empty input field, and 'Course Career' is empty. There are checkboxes for 'Show Open Classes Only' (checked) and 'Open Entry/Exit Classes Only' (unchecked). In the 'Additional Search Criteria' section, 'Meeting Start Time' is 'greater than or equal to' with an empty input field, 'Meeting End Time' is 'less than or equal to' with an empty input field, and 'Days of Week' is 'include only these days' with radio buttons for Mon, Tues, Wed, Thurs, Fri, Sat, and Sun. Below this, 'Instructor Last Name' is 'begins with' with an empty input field, 'Class Nbr' is empty with a help icon, 'Course Keyword' is empty with a help icon, 'Minimum Units' is 'greater than or equal to' with an empty input field, and 'Maximum Units' is 'less than or equal to' with an empty input field. The 'Session' dropdown menu is open, showing options: 4-week Session 1, 4-week Session 2, 4-week Session 3, 6-week Session 1, 6-week Session 2, 8-week Session 1, 8-week Session 2, Regular Academic Term, Session 1, Session 2, and Summer Term. A red arrow points to the 'Session' dropdown menu. At the bottom right, there are 'CLEAR' and 'SEARCH' buttons.

How to Search for GE Courses

Follow the instructions on page 4 but instead of selecting a Session, choose “General Education - Legacy” (students starting at OSU summer 2022 or earlier) or “General Education – New” (students starting at OSU autumn 2022 or after) from the Course Attribute drop-down menu. From the Course Attribute Value drop-down menu, choose the GE category you’d like to search.
